

Sacred Heart School

Service Before Self

Mission Statement:

The Sacred Heart is a Community committed to the education of its pupils in a Catholic Christian ethos, where each person is invited to serve God and others in faith, hope and love.

Aims:

- To foster spiritual growth in Christian faith and values
- To value, appreciate and enjoy learning
- To work for excellence
- To further curiosity and creativity
- To aspire to high ideals

Curriculum: Academic

“Little Pedlars” Transition Policy for Reception – KS1

Introduction

Excellence and Enjoyment discusses broadening and increasing the creativity within Key Stage One to meet the needs of young children. Extending the Foundation Stage curriculum into Key Stage One would address the advice given in this guidance, as well as meeting the needs of younger children as they progress through their learning. In this policy, ‘transition’ describes the movement that takes place from one year to the next, and in particular from one phase of education to the next within the school. This is different from ‘transfer’ which describes the movement from one school to the next.

Rational

At Sacred Heart School we feel it is important to create a whole school approach of which staff, children, parents, governors and other agencies have a clear understanding. This policy is a formal statement of intent for Reception to KS1 transition. The policy also facilitates how we meet the legal requirements of Education Acts and National Curriculum requirements.

Aims

We want our children to experience a smooth educational and emotional transition from one phase to the next. This will ensure that children make the best all round progress.

Equal Opportunities and Inclusion

The children and parents are actively involved in the process and their perceptions about transition are explored and valued.

There are clear curriculum guidelines for children with learning difficulties during transition. Appropriate assistance will be provided in a variety of ways including;

- *A range of learning styles
- *Using pupil’s ideas and motivations as a starting point for learning
- *Adjusting the conceptual demand of the task as appropriate for the child.

Principles that underpin the policy

The principles that underpin our transition policy are

- *Approaches to teaching and learning should be harmonised at the point of transition
- *Planning should be based upon assessment information from the previous class/group/setting
- *Styles of teaching and learning should meet the needs of children and not pre-conceived notions of what is or is not appropriate for the next phase/Key Stage
- *There should be a professional regard for the information from the previous setting/phase
- *Children’s emotional welfare, wellbeing and involvement should be assessed before and after transition.
- *Children should enjoy the transition process
- *The transition should motivate and challenge children
- *Staff allocation for a period prior to, during and after initial transition should be made to maximise the comfort and welfare of the children.
- *Effective transition takes time, and is a process rather than an event.
- *Parents and carers need to feel well informed about and comfortable with all transitions in their child’s life.
- *Children, parents/carers and staff need to be involved on an equal basis.
- *Transition is about the setting fitting the child, not the child fitting the setting.
- *Transitions are not overlooked or left to chance, but thought about and planned in advance.

Initial preparations

Transitions are not overlooked or left to chance; good transition takes careful thought and thorough planning well in advance. All staff must be aware of the systems that are currently in place and build their review into the schools Self Evaluation schedule.

- *Year One teachers to spend some designated time in Reception, observing children in their familiar environment and observing practice.
- *Time is planned for termly meetings between Reception and Year One for teachers to discuss on going assessment and Profile information.
- *Reception, Year One teacher and the Little Pedlars teacher agree together what needs to be handed on at the end of the year
- *Reception children visit Year One.
- *At least one joint project is planned between Reception and Year One each year.
- *Arrangements are made for passing on information to parents about the transition to Year One.
- *Reception parents are invited to meet the Year One teacher/support staff.
- *Reception teacher is given designated time to observe teaching practice in Year One.

Creating an appropriate environment

- *Year One staff have visited reception to see how areas of provision provide support and challenge for children's current learning so that they can ensure future progress in the way they plan and organise their provision.
- *The areas of provision in Year One are planned for appropriate learning objectives with more challenge and teacher focussed tasks
- *A richly resourced outdoor classroom is used to support teaching and learning in Year One.

Building on what children know and understand

- *Areas of provision are planned for Year One, similar to those in Reception, but with appropriate challenge and adult directed activities.
- *Reception and Year One staff meet to discuss assessment information
- *Reception teachers highlight those children who are still working at Foundation Stage level or may need a modified curriculum.
- *Year One teachers will use cross phase planning that incorporates both Profile Scale Points and National Curriculum levels.
- *Reception and Year One teachers meet in the latter part of the summer term to discuss the possible curriculum and environment for the first half term in Year One
- *Teachers meet after the first few weeks in Year One to discuss individual children after the settling in period

Partnership with parents

At Sacred Heart School we encourage parents to be involved by:

- *Inviting parents into school 2 times a year to discuss the progress of their child.
- *Inviting parents into school in the Summer term to discuss the annual report
- *Inviting Little Pedlars parents in on a Friday afternoon to look at Learning Stories
- *Weekly school newsletters and Little Pedlars memos as appropriate
- *Parents are informed in the Summer time about the class that their child will be in.
- *Parents are given clear information about what to expect in Year One.
- *Parents are given the opportunity to meet the Year One staff before September
- *Year one teacher is available at the end of the day to address any issues regarding their child settling into Year One.

Continuing Professional Development

- *Reception and Year One teachers know what the Early Years Foundation Stage Profile contains and how to interpret the scale points.
- *Reception and Year One teachers know how the Early Years Foundation Stage Curriculum links to the National Curriculum.
- *Reception and Year One teachers are confident in making assessments through the observation of children
- *Reception and Year One teachers plan collaboratively checking that continuity and progressions are evident from Reception to Year One.
