Dear Sister Francis

SACRED HEART SCHOOL

I refer to the inspection by the Independent Schools Inspectorate that took place on 15 March 2013.

I am pleased to note that the school has met all of the regulatory standards and I confirm that there is no further action required of the school by this Department.

You will, of course, need to respond to any recommendations made by the ISI which relate to accreditation matters. This response should be forwarded to your association inspection committee.

The ISI will inspect your school again in due course according to their regular cycle of inspections. In the meantime, I would like to thank you for your help in this matter.

Yours sincerely

Rachel Vickers
