On the 13th of October the U16 netball team played a match against Hammonds. We scored a great victory of 25 – 12 to us. Well done to Imogen who got ‘girl of the game,’ unfortunately she fell over during the second quarter but she showed team spirit and determination and played really well. Thank you to Mrs Calvert and Miss Wookey. *Cayman Evans Sports Prefect*

U14 West Norfolk Tournaments

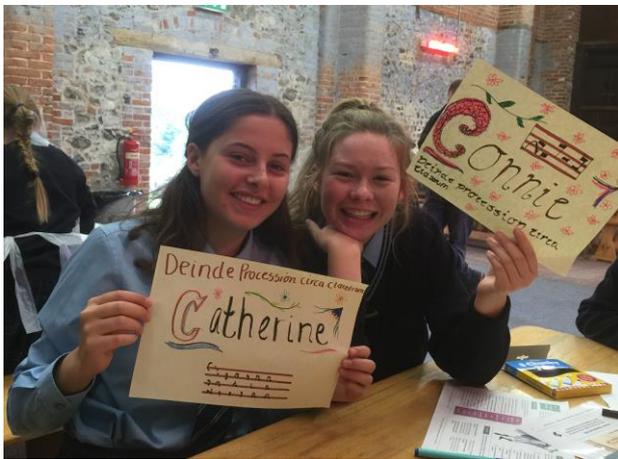

Congratulations to the U14 netball and hockey team both teams have come 3rd after many exciting and tense games played.

The U14 netball team had a disappointing end to a very exciting tournament. The girls reached the semi-final after winning 3 of their games and drawing 1. The team faced Litcham in the semi-final and drew 4 all, the game went to extra time again the teams drew, it then went to golden goal. Our girls played extremely well and many other teachers complemented their performances unfortunately Litcham scored the important first goal knocking us out of the tournament. We were all really disappointed and very close to tears but should be proud of what the girls did achieve and work towards winning all our league games. *Mrs Calvert*

On Friday 14th October Years 7 & 10 went to Castle Acre. The reason for our visit was to mark 950 years since the Battle of Hastings. In the morning we learnt how to make the bricks used to build the castle; we even made our own out of clay. Next we tried calligraphy and many were surprised how easy it was. Before lunch many of the students had their picture taken for various newspapers. Next we learnt what would be sold at the market which was very interesting. Finally we took a tour of the Monastery and what would have happened there. Not only was this a fun day but both years learnt lots about their current topic Anglo Saxons and Normans. Thank you to Mrs Wilson and Miss Wookey for organising and taking us on such a great day. *Connie Wildbur Year 10*
