Year 5 and 6 Assembly - This week Year 5 and 6 gave a brilliant performance of Bully Cat, Bully Dog at the Lower School Assembly.

At 8.40am we discovered that 3 children were absent and by 9.15, after no further practise, the class were ready to perform to Parents and the Lower School.

There was no shortage of volunteers to substitute and Mrs Parnham commented that she could not pick them out.

One of the themes of the Assembly was working together and she also pointed out how ably the class had put that into practise.

Well done, Year 5 and 6 – We were very proud of you! *Miss Gooderson*

On the 30th January, the Year 11 GCSE History Group went to the Norwich Playhouse to watch 'Medicine Through Time.' This performance was specifically for students and therefore helped us greatly in preparation for our exams. They showed us some drama about doctors and medicine throughout time – things which we have learnt about in lessons. After some drama we had to discuss some exam questions and answers within the workshops we did throughout. These discussions were interactive which was extremely beneficial to our work. The drama shown was comical and enjoyable which kept us captivated and made the entire trip really enjoyable. It was a very fun and educational trip! *Benita Bausbacher Year 11*

On the 1st of February the U11 netball team played a match against Glebe. Unfortunately we lost 5 4. Well done to Eliza for getting girl of the game.

On Thursday the 2nd of February the U14s played a netball match against KES. The end score was 11 – 12 to KES. Well done to Hannah for getting girl of the game.

On the 2nd of February the U16's netball team played a match against KES. The final score was 15 – 14 to us. Well done to Mermaid and Immy who were girls of the game due to their excellent shooting and centre passes. Thank you to Mrs Calvert and Miss Wookey for organising and umpiring all of our matches. *Madie Hitchcock Sports Prefect*

Balloon Car Racers Years 5 & 6

As part of 'fun,' but good Science Years 5&6 have been designing Balloon powered racing cars. Once a basic car had been made it led to questions such as 'how can we make it go further and faster.' The pupils then spent some time changing and altering their constructions before the grand final was held in the gym. The winner of both fastest and furthest was the car belonging to Olivia and Grace. During this project the pupils had to show teamwork; take results of testing; show practical skills and describe their experiences by producing a powepoint presentation. *Mr Penney*

We are planning to take a group of Sacred Heart Students to Flame 2017 at Wembley Arena on Saturday 11th March. The theme is '10,000 Reasons.' 10000 young people will gather to receive faith-filled inspiration from world class speakers interspersed with music from Grammy award winner Matt Redman, and times of prayers. The event is organised by the Catholic Youth Ministry Federation. It has been suggested that Years 9 & 10 experience this - tickets cost £22 per person plus £5 to cover the cost of transport. Letters have been sent to Year 10 and Year 9.

URGENT – Lower School Parents

As from Monday, unless children are signed into the Boarding House (and staff have received written confirmation) all children must be collected at the back gate. We have risk assessed the present situation and the dangers of vehicles moving on our premises, together with the dangers on the main road. We have decided that we cannot continue as we are.

The children have been trained to take extra care at lunch time but this is not happening when they see parents. We would also ask that children are not taken from the line as the staff member cannot then keep track of who has or has not been collected. Please bear in mind staff have all the children's safety in their hands and not just your child. If you are running late the children will of course be taken to the Boarding House and signed in.

A member of staff remains on duty at the back gate until 4.00pm at which time senior pupils, who have not been collected are taken to the Boarding House, from where they should be collected. Younger pupils (up to Year 2) are brought back earlier.

The backgate is locked shortly after 4.15pm so please come to the front entrance of the school to collect your child from the Boarding House. Thank you for your co-operation in keeping your child safe.

Miss Gooderson
