Dear Parents,

*We have been advised that Norfolk County Council have approved the Diocese's proposal to open the new Sacred Heart Catholic Primary from 1st September 2019. The Governing Body will now need to begin the process for admitting children to the school for September and this process will also apply to your child(ren), even though they are already at the independent Sacred Heart School. If your child was at Sacred Heart School at the end of the Autumn Term 2018, they will have priority for admission to the school in September. You will receive a copy of the admissions form next Monday, 20th May, which you will need to complete and return with any supporting documents, within three weeks. Further details about where to send the information will be contained in a covering letter. **Please note, that if we have not received an admissions form from you by Friday 7th June, we will assume that you do not require a place at Sacred Heart Primary School from 1st September 2019.***

Kind regards

Flavio Vettese
